At Dead Of Night is part horror film, part horror game and part ghost hunt. It seamlessly blends live-action and video game elements to create a unique immersive horror experience like no other. You play [Maya](#), a student trapped in a room by a sociopath called [Jimmy Hall](#). Jimmy has tied up Maya's friends and locked them in their rooms, but Maya has managed to escape, but Jimmy is on the prowl looking for her. However, to get him to release her, Maya must uncover Jimmy's dark secret. Using an ancient '[Ghost and spirit receiver](#)' she finds, Maya must confront the spirits of Jimmy's past, who materialize around the hotel and gradually reveal their story.
