Chromebooks are  
designed to power  
your everyday

Built on ChromeOS, the Google-designed operating system, Chromebooks start fast, automatically keep everything up to date, and have never had a virus<sup>1</sup> so you can always do the things you love — interruption free.

Which Chromebook  
is right for you?

<sup>1</sup> As of July 2023, there has been no evidence of any documented, successful virus attack on ChromeOS. Data based on ChromeOS monitoring of various national and internal databases.

<sup>2</sup> Based on top selling Chromebooks from July 2022 to Dec 2022.

<sup>3</sup> Chromebook Plus and Gaming Chromebook performance is compared to top selling Chromebooks from July 2022 to Dec 2022.

<sup>4</sup> All Chromebooks launched since January 2019 come with the Titan C or C2 security chip, except for the Lenovo 100e Chromebook 2nd Gen MediaTek and the Lenovo 300e Chromebook 2nd Gen MediaTek, which come with a different security chip.

<sup>5</sup> Equivalency based on Geekbench performance scores.

<sup>6</sup> You must be connected to the internet to set up this feature. Download required. Must have available storage space in Drive.

<sup>7</sup> Subscription required.
